Surgical services

- The fee schedule shows Medicaid policies code by code on global periods, bilateral procedures, assistants at surgery, co-surgeons, and team surgery. These policies are almost always identical to Medicare policies but in cases of discrepancy the Medicaid policy applies.
- Medicaid only covers "assistant at surgery" services when provided by physicians or mid-level practitioners who are Medicaid providers.
- Medicaid does not cover surgical technician services.
- See the *Billing Procedures* chapter regarding the appropriate use of modifiers for surgical services.

Telemedicine services

- Medicaid covers telemedicine services when the consulting provider is enrolled in Medicaid.
- The requesting provider need not be enrolled in Medicaid nor be present during the telemedicine consult.
- Medicaid does not cover network use charges.

Transplants

All Medicaid transplant services must be prior authorized (see the *PASSPORT and Prior Authorization* chapter in this manual). Medicaid covers the following transplant services:

- For clients 21 years or older: only bone marrow, kidney, or cornea transplants.
- For clients less than 21 years old: all transplants that are covered by Medicare that are not considered experimental or investigational.

Weight reduction

- Physicians and mid-level practitioners who counsel and monitor clients on weight reduction programs can be paid for those services. If medical necessity is documented, Medicaid will also cover lab work. Similar services provided by nutritionists are not covered for adults.
- Medicaid does **not** cover the following weight reduction services:
  - Weight reduction plans or programs (e.g., Jenny Craig, Weight Watchers, etc.)
  - Nutritional supplements
  - Dietary supplements
  - Health club memberships
  - Educational services of a nutritionist
  - Gastric bypass

Emergency department visits

The Department covers emergency services provided in the emergency department. Emergency medical services are those services required to treat and stabilize an emergency medical condition. Beginning August 1, 2003, a service is reimbursed as an emergency if one of the following criteria is met:

- The service is billed with a CPT code of 99284 or 99285
- The client has a qualifying emergency diagnosis code. A list of the Department's pre-approved emergency diagnosis codes is available on the Provider Information website under *Emergency Diagnosis Codes* (see *Key Contacts*).
- The service did not meet one of the previous two requirements, but the medical professional rendering the medical screening and evaluation believes an emergency existed. In this case, the claim and documentation supporting the emergent nature of the services must be mailed to the emergency department review contractor (see *Key Contacts*).

If the visit does not meet one of the emergency criteria, then services beyond the screening and related diagnostic tests are not reimbursed and cost sharing should be collected. If the visit meets the emergency criteria, cost sharing is not collectible.

If an inpatient hospitalization is recommended as post stabilization treatment, the hospital must get a referral from the client's PASSPORT provider. If the hospital attempts to contact the PASSPORT provider and does not receive a response within 60 minutes, authorization is assumed. To be paid for these services, documentation that clearly shows the time of the attempt to reach the PASSPORT provider and the time of the initiation of post stabilization treatment must be sent to the PASSPORT program officer (see *Key Contacts*) for review. The documentation must include the time an attempt was made to reach the provider and the time the inpatient hospitalization began. There must be a 60 minute time lapse between these two events.

Other Programs

This is how the information in this chapter applies to Department programs other than Medicaid.

Mental Health Services Plan (MHSP)

Clients who are enrolled in MHSP have limited coverage for physician-related services. See the *Mental Health Services Plan* manual.

For Medicaid clients seeking mental health services, the information in this chapter applies to mental health services just as it does for physical health services.

Children's Health Insurance Plan (CHIP)

The information in this chapter does not apply to CHIP clients. For a CHIP medical manual contact BlueCross BlueShield of Montana at (800) 447-7828 x8647. Additional information regarding CHIP is available on the *Provider Information* web site (see *Key Contacts*).

PASSPORT and Prior Authorization

What Is PASSPORT, Prior Authorization and a Restricted Card? (ARM 37.86.5101 - 5120)

PASSPORT To Health, prior authorization (PA), and the Restricted Card Program are three examples of the Department's efforts to ensure the appropriate use of Medicaid services. In each case, providers need approval before services are provided to a particular client.

- ***PASSPORT To Health Managed Care Program*** is Montana Medicaid's Primary Care Case Management (PCCM) Program and has been very successful since implementation in 1993. Under PASSPORT, Medicaid clients choose one primary care provider and develop an ongoing relationship that provides a "medical home." With some exceptions, all services to PASSPORT clients must be provided or approved by the PASSPORT provider. The PASSPORT mission is to manage the delivery of health care to Montana Medicaid clients in order to improve or maintain access and quality while minimizing use of health care resources. Approximately 68% of the Medicaid population is enrolled in PASSPORT. All Montana Medicaid clients must participate in PASSPORT except for nursing homes and institution residents, clients with Medicare coverage, medically needy clients with incurments, or clients living in non-PASSPORT counties. Any Montana Medicaid provider may be a PASSPORT provider if primary care is within his or her scope of practice. The PASSPORT Program saves the Medicaid program approximately $20 million each year. These savings allow improved benefits elsewhere in the Medicaid program.
- ***Prior authorization*** refers to a short list of services. If a service requires prior authorization, the requirement exists for all Medicaid clients. See *Prior Authorization* later in this chapter.
- A ***restricted card*** is issued to a very small number of Medicaid clients. Because of issues about the appropriate use of services, the client must use a specific physician and/or pharmacy. The card sometimes lists other restrictions as well. For more information, see the *General Information For Providers* manual, *Client Eligibility and Responsibilities*.

Medicaid does not pay for services when prior authorization, PASSPORT, or restricted card requirements are not met.

In practice, providers will most often encounter clients who are enrolled in PASSPORT. Specific services may also require prior authorization regardless of whether the client is a PASSPORT enrollee. For example, if a PASSPORT client comes to a plastic surgeon requesting a cosmetic procedure, then PASSPORT approval is required from the PASSPORT provider and prior authorization is

required from the Department's SURS unit. Refer to *Prior Authorization* later in this chapter and the fee schedules for PA requirements. PASSPORT approval requirements are described below. In the few cases where a client presents a restricted card, all providers must follow the restrictions on the card.

PASSPORT Information For All Providers

Client eligibility verification will indicate whether the client is enrolled in PASSPORT. The client's PASSPORT provider and phone number are also available, and the client may have full or basic coverage. Instructions for checking client eligibility are in the *Client Eligibility and Responsibilities* chapter of the *General Information For Providers* manual.

To be covered by Medicaid, all services must be provided in accordance with the requirements listed in the *Provider Requirements* chapter of the *General Information For Providers* manual and in the *Covered Services* chapter of this manual. Prior authorization and restricted card requirements must also be followed.

PASSPORT referral and approval

PASSPORT providers refer Medicaid clients for medically necessary services that they do not provide. Referrals can be made to any other provider who accepts Montana Medicaid. Referrals may be verbal or in writing, and must be accompanied by the primary care provider's PASSPORT number. The following services do not require PASSPORT approval:

Services That Do Not Require PASSPORT Provider Approval (by Provider Type)

Ambulance	Nursing facilities
Audiologists	Nursing facilities for the aged mentally retarded
Dentists (some services require authorization)	Optometrists and ophthalmologists
Dialysis	Personal assistance services in a client's home
Durable medical equipment	Pharmacies
Eyeglass providers	Podiatrists
Hearing aid providers	Psychologists
Home and community based service providers	Residential treatment centers
Home infusion therapy providers	Social workers (licensed)
Hospice providers	Substance dependency (non-hospital inpatient, outpatient, and day treatment providers)
Hospital swing bed	Targeted case management providers
Intermediate care facilities for the mentally retarded	Therapeutic family care
Laboratory service providers	Therapeutic group home care
Licensed clinical professional counselors	Transportation (commercial and specialized non-emergency)
Mental health case management providers	X-ray providers
Mental health centers	Outpaitent hospital emergency department services

Some physician-related services also do not require PASSPORT provider approval:

- Anesthesiology
- Family planning
- Obstetrics
- Outpatient hospital emergency department services

EPSDT clients (all Medicaid clients under age 21) do not need PASSPORT provider approval for the following specific services:

- Immunizations
- Blood lead testing

PASSPORT and emergency services

PASSPORT provider approval is not required for emergency services. However, if an inpatient hospitalizatoin is recommended as post stabilization treatment, see *Emergency department visits* in the *Covered Services* chapter of this manual for requirements.

Complaints and grievances

Providers may call the PASSPORT Provider HelpLine (see *Key Contacts*) to report a complaint that something inappropriate has taken place. A grievance is a written complaint and must be addressed to PASSPORT To Health (see *Key Contacts*).

PASSPORT and Indian Health Services

Clients who are eligible for both Indian Health Services (IHS) and Medicaid may choose IHS or another provider as their PASSPORT provider. Clients who are eligible for IHS do not need a referral from their PASSPORT provider to obtain services from IHS. However, if IHS refers the client to a non-IHS provider, the PASSPORT provider must approve the referral.

Getting questions answered

The *Key Contacts* list (at the front of this manual) provides important phone numbers and addresses. Provider and Client HelpLines are available to answer almost any PASSPORT or general Medicaid question. You may call the PASSPORT Provider HelpLine to obtain materials for display in your office, discuss any problems or questions regarding your PASSPORT clients, or enroll in PASSPORT. You can keep up with changes and updates to the PASSPORT program by reading the PASSPORT provider newsletters. Newsletters and other information is available on the *Provider Information* web site (see *Key Contacts*). For claims questions, call Provider Relations.

When Your Client Is Enrolled in PASSPORT (And You Are Not the PASSPORT Provider)

To be covered by Medicaid, all services must be provided in accordance with the requirements listed in the *Provider Requirements* chapter of the *General Information For Providers* manual, and in the *Covered Services* chapter of this manual. Prior authorization and restricted card requirements must also be followed.

- If a client is enrolled in PASSPORT, the services must be provided or approved by the client's PASSPORT provider. Some exceptions to this requirement are described in the *PASSPORT referral and approval* section earlier in this chapter.
- The PASSPORT provider's approval may be verbal or written but must be documented and maintained in the client's file, and the claim form must contain the PASSPORT provider's PASSPORT number. Documentation should not be submitted with the claim
- The client's PASSPORT provider must be contacted for approval for each visit. Using another provider's PASSPORT number without approval is considered fraud.
- If a PASSPORT provider refers a client to you, do not refer that client to someone else without the PASSPORT provider's approval, or Medicaid will not cover the service.
- To verify client eligibility, see the *Client Eligibility* chapter in the *General Information For Providers* manual.

Role of the PASSPORT Provider

PASSPORT providers manage a client's health care in several ways:

- Provide primary care, including preventive care, health maintenance, and treatment of illness and injury.
- Coordinate the client's access to medically necessary specialty care and other health services. Coordination includes referral, authorization, and follow-up.
- Authorize inpatient admissions.
- Provide or arrange for qualified medical personnel to be accessible 24 hours a day, 7 days a week to provide direction to clients in need of emergency care.
- Provide or arrange for suitable coverage for needed services, consultations, and approval of referrals during the provider's normal hours of operation.
- Provide or arrange for Well Child Check Ups and immunizations according to the periodicity schedule in the *EPSDT* chapter and *Appendix B* of this manual.
- Maintain a unified medical record for each PASSPORT client. This must include a record of all approvals for other providers. Providers must trans-

fer a copy of the client's medical record to a new primary care provider if requested in writing by the client.

- Review PASSPORT utilization rates (supplied by Medicaid) and analyze factors contributing to unusually high or low rates.

Providing PASSPORT referral and authorization

- Before referring a PASSPORT client to another provider, verify that the provider accepts Medicaid.
- When referring a client to another provider, you must give that provider your PASSPORT number.
- All referrals must be documented in the client's medical record or a telephone log. Documentation should not be submitted with the claim form.
- PASSPORT approval may be for a one-time visit, a time-specific period, or the duration of an illness or pregnancy, as determined by the PASSPORT provider.

Client disenrollment

A provider can ask to disenroll a PASSPORT client for any reason including:

- The provider-client relationship is mutually unacceptable.
- The client fails to follow prescribed treatment (unless this lack of compliance is a symptom of the medical condition).
- The client is abusive.
- The client could be better treated by a different type of provider, and a referral process is not feasible.

Providers cannot terminate a provider-client relationship in mid-treatment. To disenroll a client, write to PASSPORT To Health (see *Key Contacts*). Providers must continue to provide PASSPORT management services to the client while the disenrollment process is being completed.

Termination of PASSPORT agreement

To terminate your PASSPORT agreement, notify PASSPORT To Health in writing at least 30 days before the date of termination. Termination is effective on the first day of the month following notice of termination, or the first day of the second month following notice of termination, whichever allows a 30 day time period to elapse.

Utilization review

PASSPORT providers' utilization patterns are analyzed on a regular basis. When a provider's average rates for service utilization are consistently high or low, the provider may be asked to furnish information regarding unusual practice patterns.

Caseload limits

PASSPORT providers may serve as few as one or as many as 1,000 Medicaid clients. Group practices and clinics may serve up to 1,000 clients for each full-time equivalent provider.

How to Become a PASSPORT Provider

Any provider who has primary care within his or her scope of practice and is practicing primary care can be a PASSPORT provider. PASSPORT providers receive a monthly case management fee of $3.00 for each enrolled PASSPORT client. Providers who wish to become a PASSPORT provider must:

- Enroll in Medicaid (contact *Provider Enrollment*). For more information on enrollment, see the *General Information For Providers* manual and enrollment forms available on the *Provider Information* web site (see Key Contacts).
- Call the PASSPORT Provider HelpLine at (800) 480-6823.

PASSPORT Tips

- View the client's Medicaid eligibility verification at each visit using one of the methods described in the *Client Eligibility and Responsibilities* chapter of the *General Information For Providers* manual.
- Do not bill for case management fees; they are paid automatically to the provider each month.
- If you are not your client's PASSPORT provider, include the PASSPORT provider's PASSPORT approval number on the claim, or it will be denied.
- The same cost sharing, service limits, and provider payment rules apply to PASSPORT and non-PASSPORT clients and services.
- For claims questions, refer to the *Billing Procedures* chapter in this manual, or call Provider Relations (see *Key Contacts*).

Prior Authorization

Some services require prior authorization (PA) before providing them. When seeking PA, keep in mind the following:

- The referring provider should initiate all authorization requests.
- Always refer to the current Medicaid fee schedule to verify if PA is required for specific services.

- The following table (*PA Criteria for Specific Services*) lists services that require PA, who to contact, and specific documentation requirements. For more details on each service listed in the following table, please contact the prior authorization contact listed.
- For a list of prescription drugs that require PA, see the *PA Criteria for Prescription Drugs* table later in this chapter.
- Have all required documentation included in the packet before submitting a request for PA (see the following *PA Criteria for Specific Services* table for documentation requirements).
- When PA is granted by the Surveillance/Utilization Review Section, providers will receive notification from both the Quality Assurance Divison and the Claims Processing Unit. The *Prior Authorization Notice* from the Claims Processing Unit will have a PA number. This PA number must be included in field 23 on the CMS-1500 claim form.

Coordination of Benefits

When Clients Have Other Coverage

Medicaid clients often have coverage though Medicare, workers' compensation, employment-based coverage, individually purchased coverage, etc. Coordination of benefits is the process of determining which source of coverage is the primary payer in a particular situation. In general, providers must bill other carriers before billing Medicaid, but there are some exceptions (see *Exceptions to Billing Third Party First* later in this chapter). Medicare coverage is processed differently than other sources of coverage.

Identifying Other Sources of Coverage

The client's Medicaid eligibility information may list other payers such as Medicare or other third party payers (see *Client Eligibility and Responsibilities* in the *General Information For Providers* manual). If a client has Medicare, the Medicare ID number is listed on the eligibility verification. If a client has other coverage (excluding Medicare), it will be shown also. Some examples of third party payers include:

- Private health insurance
- Employment-related health insurance
- Workers' compensation insurance*
- Health insurance from an absent parent
- Automobile insurance*
- Court judgments and settlements*
- Long term care insurance

*These third party payers (and others) may **not** be listed on the client's eligibility information.

Providers must use the same procedures for locating third party sources for Medicaid clients as for their non-Medicaid clients. Providers cannot refuse service because of a third party payer or potential third party payer.

When a Client Has Medicare

Medicare claims are processed and paid differently than claims involving other payers. The other sources of coverage are referred to as "third party liability" (TPL), but Medicare is not.

Medicare Part A claims

Medicare Part A covers inpatient hospital care, skilled nursing care and other services. Medicaid has not made arrangements with Medicare Part A carriers for electronic exchange of claims covering Part A services. Providers must submit the claim first to Medicare. After Medicare processes the claim, an Explanation of Medicare Benefits (EOMB) is sent to the provider. The provider then reviews the EOMB, and submits the claim to Medicaid on paper. Medicare Part A services are covered in more detail in specific program manuals where the providers bill for Part A services.

Medicare Part B crossover claims

Medicare Part B covers outpatient hospital care, physician care and other services. Although outpatient hospital care is covered under Part B, it is processed by Medicare Part A. The Department has an agreement with Medicare Part B carriers for Montana (BlueCross BlueShield of Montana and the Durable Medical Equipment Regional Carrier [DMERC]). Under this agreement, the carriers provide the Department with a magnetic tape of CMS-1500 (formerly HCFA-1500) claims for clients who have both Medicare and Medicaid coverage. Providers must tell Medicare that they want their claims sent to Medicaid automatically and must have their Medicare provider number on file with Medicaid.

To avoid confusion and paperwork, submit Medicare Part B crossover claims to Medicaid only when necessary.

In these situations, providers need not submit Medicare Part B crossover claims to Medicaid. Medicare will process the claim, submit it to Medicaid, and send the provider an Explanation of Medicare Benefits (EOMB). Providers must check the EOMB for the statement indicating that the claim has been referred to Medicaid for further processing. It is the provider's responsibility to follow up on crossover claims and make sure they are correctly billed to Medicaid within the timely filing limit (see *Billing Procedures*).

When Medicare pays or denies a service

When Medicare Part B crossover claims:

- Are paid, they should automatically cross over to Medicaid for processing, so the provider does not need to submit the claim to Medicaid.
- Are denied, the provider may submit the claim to Medicaid on paper with the Medicare EOMB (and the explanation of denial codes) attached.

For details on how Medicaid calculates payment for Medicare claims, see the *How Payment Is Calculated* chapter in this manual.

When Medicaid does not respond to crossover claims

When Medicaid does not respond within 45 days of the provider receiving the Medicare EOMB, submit a paper CMS-1500 (formerly HCFA-1500) claim form, with a copy of the Medicare EOMB attached, to Medicaid for processing.

Client Cost Sharing (ARM 37.85.204 and 37.85.402)

Cost sharing fees are a set dollar amount per visit, and they are based on the average Medicaid allowed amount for the provider type and rounded to the nearest dollar. There is no cost sharing cap. Do not show cost sharing as a credit on the claim; it is automatically deducted during claims processing and is shown on the remittance advice. Cost sharing for the following services is shown below.

Cost Sharing	
Provider Type	**Amount**
Independent diagnostic testing facility (IDTF)	$4.00 per visit
Mid-level practitioner	$4.00 per visit
Physician	$4.00 per visit
Podiatry	$4.00 per visit
Public Health Clinic	$1.00 per visit

The following clients are exempt from cost sharing:

- Clients under 21 years of age
- Pregnant women (until end of postpartum, which begins on the last day of pregnancy and ends at the end of the month in which 60 days have passed)
- Inpatients in a hospital, skilled nursing facility, intermediate care facility or other medical institution if the individual is required to spend all but their personal needs allowance on the cost of care.
- Medicaid clients who also have Medicare or another insurance are exempt from cost sharing only when the service is allowed by Medicare or paid by the other insurance, and Medicaid is the secondary payer.

Cost sharing may not be charged for the following services:

- Emergencies (see *Definitions*)
- Family planning
- Hospice
- Independent lab and x-ray services
- Personal assistance services
- Home dialysis attendant services
- Home and community based waiver services
- Non-emergency medical transportation services
- Eyeglasses purchased by the Medicaid program under a volume purchasing arrangement
- EPSDT services

A provider cannot deny services to a Medicaid client because the client cannot pay cost sharing fees at the time services are rendered. However, the client's inability to pay cost sharing fees when services are rendered does not lessen the client's obligation. If a provider has a policy on collecting delinquent payment from non-Medicaid clients, that same policy may be used for Medicaid clients. A provider may sever the relationship with a client who has unpaid cost sharing obligation, as long as a consistent policy is followed with Medicaid and non-Medicaid clients. Once the relationship is severed, with prior notice to the client either verbally or in writing, the provider may refuse to serve the client.

When Clients Have Other Insurance

If a Medicaid client is also covered by Medicare, has other insurance, or some other third party is responsible for the cost of the client's health care, see the *Coordination of Benefits* chapter in this manual.

PASSPORT Billing Tips

- Do not bill for case management fees; they are paid automatically to the provider each month.
- If you are not your client's PASSPORT provider, include the PASSPORT provider's PASSPORT number on the claim.
- For claims questions, contact Provider Relations (see *Key Contacts*).

Billing for Retroactively Eligible Clients

When a client becomes retroactively eligible for Medicaid, the provider has 12 months from the date retroactive eligibility was determined to bill for those services. When submitting claims for retroactively eligible clients, attach a copy of the FA-455 (Eligibility determination letter) to the claim if the date of service is more than 12 months earlier than the date the claim is submitted.

When a provider chooses to accept the client from the date retroactive eligibility was effective, and the client has made a full or partial payment for services, the provider must refund the client's payment for the service(s) before billing Medicaid for the service(s).

For more information on retroactive eligibility, see the *Client Eligibility and Responsibilities* chapter in the *General Information For Providers* manual.

Place of Service

Place of service must be entered correctly on each line. Medicaid typically reduces payment for services provided in hospitals and ambulatory surgical centers since these facilities typically bill Medicaid separately for facility charges.

Physician clinics that are affiliated with hospitals should be particularly careful. If the Department has granted a clinic "provider-based" status then the hospital can bill for facility charges even if the clinic is not on the hospital campus. In these situations the clinic must show "outpatient" (22) as the place of service.

Transplants

Include the prior authorization number in field 23 (*Prior Authorization Number*) on the CMS-1500 claim form (see the *Completing a Claim* chapter in this manual). All providers must have their own prior authorization number for the services. For details on obtaining prior authorization, see the *PASSPORT and Prior Authorization* chapter in this manual.

Weight reduction

Providers who counsel and monitor clients on weight reduction programs must bill Medicaid using appropriate evaluation and management (E&M) codes.

Submitting a Claim

Paper claims

Unless otherwise stated, all paper claims must be mailed to:

Claims Processing
P.O. Box 8000
Helena, MT 59604

Electronic claims

Providers who submit claims electronically experience fewer errors and quicker payment. Claims may be submitted electronically by the following methods:

- Accelerated Claims Entry Software (ACE$)
- A claims clearinghouse
- By writing your own software using NSF 3 Montana Medicaid specifications

For more information on electronic claims submission, call the Provider Relations number (see *Key Contacts*), and follow the instructions for reaching Electronic Data Interchange (EDI). The information on electronic claims submission will change with the implementation of the electronic transaction standards under the Health Insurance Portability and Accountability Act (HIPAA). Providers will be notified of changes in the *Montana Medicaid Claim Jumper* newsletter.

Claim Inquiries

Contact Provider Relations for questions regarding client eligibility, payments, denials, general claim questions, or to request billing instructions, manuals, or fee schedules (see *Key Contacts*).

If you prefer to communicate with Provider Relations in writing, use the *Montana Medicaid Claim Inquiry* form in *Appendix A*. Complete the top portion of the form with the provider's name and address. If you are including a copy of the claim, complete side A; if a copy of the claim is not included, complete side B.

Provider Relations will respond to the inquiry within 7 to 10 days. The response will include the status of the claim: paid (date paid), denied (date denied), or in process. Denied claims will include an explanation of the denial and steps to follow for payment (if the claim is payable).

The Most Common Billing Errors and How to Avoid Them

Paper claims are often returned to the provider before they can be processed, and many other claims (both paper and electronic) are denied. To avoid unnecessary returns and denials, double check each claim to confirm the following items are included and accurate.

Common Billing Errors

Reasons for Return or Denial	How to Prevent Returned or Denied Claims
Medicaid provider number missing or invalid	The provider number is a 7-digit number assigned to the provider during Medicaid enrollment. Verify the correct **Medicaid** provider number is on the claim.
Authorized signature missing	Each claim must have an authorized signature belonging to the provider, billing clerk, or office personnel. The signature may be typed, stamped, or hand-written.
Signature date missing	Each claim must have a signature date.
Incorrect claim form used	The claim must be the correct form for the provider type. Services covered in this manual require a CMS-1500 claim form.
Information on claim form not legible	Information on the claim form must be legible. Use dark ink and center the information in the field. Information must not be obscured by lines.
Recipient number not on file, or recipient was not eligible on date of service	Before providing services to the client: • View the client's eligibility information at each visit. Medicaid eligibility may change monthly. • Verify client eligibility by using one of the methods described in the *Client Eligibility and Responsibilities* chapter of the *General Information For Providers* manual.
Duplicate claim	• Please check all remittance advices (RAs) for previously submitted claims before resubmitting. • When making changes to previously paid claims, submit an adjustment form rather than a new claim form (see *Remittance Advices and Adjustments* in this manual). • Please allow 45 days for the Medicare/Medicaid Part B crossover claim to appear on the RA before submitting the claim directly to Medicaid.

Common Billing Errors (continued)

Reasons for Return or Denial	How to Prevent Returned or Denied Claims
Procedure requires PASSPORT provider approval – No PASSPORT approval number on claim	A PASSPORT provider approval number must be on the claim form when such approval is required. See the *PASSPORT and Prior Authorization* chapter in this manual.
Prior authorization number is missing	• Prior authorization (PA) is required for certain services, and the PA number must be on the claim form (see the *PASSPORT and Prior Authorization* chapter in this manual). • Mental Health Services Plan (MHSP) claims must be billed and services performed during the prior authorization span. The claim will be denied if it is not billed according to the spans on the authorization. See the *Mental Health Services Plan* manual.
TPL on file and no credit amount on claim	• If the client has any other insurance (or Medicare), bill the other carrier before Medicaid. See *Coordination of Benefits* in this manual. • If the client's TPL coverage has changed, providers must notify the TPL unit (see *Key Contacts*) before submitting a claim.
Claim past 365-day filing limit	• The Claims Processing Unit must receive all clean claims and adjustments within the timely filing limits described in this chapter. • To ensure timely processing, claims and adjustments must be mailed to Claims Processing at the address shown in *Key Contacts*.
Missing Medicare EOMB	All Medicare crossover claims on CMS-1500 forms must have an Explanation of Medicare Benefits (EOMB) attached, and be billed to Medicaid on paper.
Provider is not eligible during dates of services, or provider number terminated	• Out-of-state providers must update enrollment early to avoid denials. If enrollment has lapsed, claims submitted with a date of service after the expiration date will be denied until the provider updates his or her enrollment. • New providers cannot bill for services provided before Medicaid enrollment begins. • If a provider is terminated from the Medicaid program, claims submitted with a date of service after the termination date will be denied.
Type of service/procedure is not allowed for provider type	• Provider is not allowed to perform the service, or type of service is invalid. • Verify the procedure code is correct using current HCPCS and CPT-4 billing manual. • Check the Medicaid fee schedule to verify the procedure code is valid for your provider type.

Other Programs

These billing procedures also apply to the Mental Health Services Plan (MHSP). These billing procedures do not apply to the Children's Health Insurance Plan (CHIP). The CHIP Medical Manual is available through BlueCross BlueShield at (800) 447-7828 X8647.

Completing a Claim Form

The services described in this manual are billed on CMS-1500 claim forms. Claims submitted with all of the necessary information are referred to as "clean" and are usually paid in a timely manner (see the *Billing Procedure*s chapter in this manual).

Claims are completed differently for the different types of coverage a client has. This chapter includes instructions and a sample claim for each of the following scenarios:

- Client has Medicaid coverage only
- Client has Medicaid and Medicare coverage
- Client has Medicaid and third party liability coverage
- Client has Medicaid, Medicare, and third party liability coverage
- Client has Medicaid, Medicare, and Medicare supplement coverage

When completing a claim, remember the following:

- Required fields are indicated by "*".
- Fields that are required if the information is applicable to the situation or client are indicated by "**".
- Field 24h, *EPSDT/family planning*, is used to override copayment and PASSPORT authorization requirements for certain clients or services. The following are accepted codes:

EPSDT/Family Planning Overrides

Code	Client/Service	Purpose
1	EPSDT	Overrides benefit limits for client under age 21
2	Family planning	Overrides the Medicaid cost sharing and PASSPORT authorization on the line
3	EPSDT and family planning	Overrides Medicaid cost sharing and PASSPORT authorization for persons under the age of 21
4	Pregnancy (any service provided to a pregnant woman)	Overrides Medicaid cost sharing on the claim
5	Pregnancy (for PASSPORT program, obstetrical services only)	Overrides the Medicaid cost sharing and PASSPORT authorization on the claim
6	Nursing facility client	Overrides the Medicare edit for oxygen services on the **line**

- Unless otherwise stated, all paper claims must be mailed to the following address:

Claims Processing Unit
P.O. Box 8000
Helena, MT 59604

CMS-1500 Agreement

Your signature on the CMS-1500 constitutes your agreement to the terms presented on the back of the form. This form is subject to change by the Centers for Medicare and Medicaid Services (CMS).

BECAUSE THIS FORM IS USED BY VARIOUS GOVERNMENT AND PRIVATE HEALTH PROGRAMS, SEE SEPARATE INSTRUCTIONS ISSUED BY APPLICABLE PROGRAMS.

NOTICE: Any person who knowingly files a statement of claim containing any misrepresentation or any false, incomplete or misleading information may be guilty of a criminal act punishable under law and may be subject to civil penalties.

REFERS TO GOVERNMENT PROGRAMS ONLY

MEDICARE AND CHAMPUS PAYMENTS: A patient's signature requests that payment be made and authorizes release of any information necessary to process the claim and certifies that the information provided in Blocks 1 through 12 is true, accurate and complete. In the case of a Medicare claim, the patient's signature authorizes any entity to release to Medicare medical and nonmedical information, including employment status, and whether the person has employer group health insurance, liability, no-fault, worker's compensation or other insurance which is responsible to pay for the services for which the Medicare claim is made. See 42 CFR 411.24(a). If item 9 is completed, the patient's signature authorizes release of the information to the health plan or agency shown. In Medicare assigned or CHAMPUS participation cases, the physician agrees to accept the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary as the full charge, and the patient is responsible only for the deductible, coinsurance and noncovered services. Coinsurance and the deductible are based upon the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary if this is less than the charge submitted. CHAMPUS is not a health insurance program but makes payment for health benefits provided through certain affiliations with the Uniformed Services. Information on the patient's sponsor should be provided in those items captioned in "Insured"; i.e., items 1a, 4, 6, 7, 9, and 11.

BLACK LUNG AND FECA CLAIMS

The provider agrees to accept the amount paid by the Government as payment in full. See Black Lung and FECA instructions regarding required procedure and diagnosis coding systems.

SIGNATURE OF PHYSICIAN OR SUPPLIER (MEDICARE, CHAMPUS, FECA AND BLACK LUNG)

I certify that the services shown on this form were medically indicated and necessary for the health of the patient and were personally furnished by me or were furnished incident to my professional service by my employee under my immediate personal supervision, except as otherwise expressly permitted by Medicare or CHAMPUS regulations.

For services to be considered as "incident" to a physician's professional service, 1) they must be rendered under the physician's immediate personal supervision by his/her employee, 2) they must be an integral, although incidental part of a covered physician's service, 3) they must be of kinds commonly furnished in physician's offices, and 4) the services of nonphysicians must be included on the physician's bills.

For CHAMPUS claims, I further certify that I (or any employee) who rendered services am not an active duty member of the Uniformed Services or a civilian employee of the United States Government or a contract employee of the United States Government, either civilian or military (refer to 5 USC 5536). For Black-Lung claims, I further certify that the services performed were for a Black Lung-related disorder.

No Part B Medicare benefits may be paid unless this form is received as required by existing law and regulations (42 CFR 424.32).

NOTICE: Any one who misrepresents or falsifies essential information to receive payment from Federal funds requested by this form may upon conviction be subject to fine and imprisonment under applicable Federal laws.

NOTICE TO PATIENT ABOUT THE COLLECTION AND USE OF MEDICARE, CHAMPUS, FECA, AND BLACK LUNG INFORMATION

(PRIVACY ACT STATEMENT)

We are authorized by HCFA, CHAMPUS and OWCP to ask you for information needed in the administration of the Medicare, CHAMPUS, FECA, and Black Lung programs. Authority to collect information is in section 205(a), 1862, 1872 and 1874 of the Social Security Act as amended, 42 CFR 411.24(a) and 424.5(a) (6), and 44 USC 3101;41 CFR 101 et seq and 10 USC 1079 and 1086; 5 USC 8101 et seq; and 30 USC 901 et seq; 38 USC 613; E.O. 9397.

The information we obtain to complete claims under these programs is used to identify you and to determine your eligibility. It is also used to decide if the services and supplies you received are covered by these programs and to insure that proper payment is made.

The information may also be given to other providers of services, carriers, intermediaries, medical review boards, health plans, and other organizations or Federal agencies, for the effective administration of Federal provisions that require other third parties payers to pay primary to Federal program, and as otherwise necessary to administer these programs. For example, it may be necessary to disclose information about the benefits you have used to a hospital or doctor. Additional disclosures are made through routine uses for information contained in systems of records.

FOR MEDICARE CLAIMS: See the notice modifying system No. 09-70-0501, titled, 'Carrier Medicare Claims Record,' published in the Federal Register, Vol. 55 No. 177, page 37549, Wed. Sept. 12, 1990, or as updated and republished.

FOR OWCP CLAIMS: Department of Labor, Privacy Act of 1974, "Republication of Notice of Systems of Records," Federal Register Vol. 55 No. 40, Wed Feb. 28, 1990, See ESA-5, ESA-6, ESA-12, ESA-13, ESA-30, or as updated and republished.

FOR CHAMPUS CLAIMS: PRINCIPLE PURPOSE(S): To evaluate eligibility for medical care provided by civilian sources and to issue payment upon establishment of eligibility and determination that the services/supplies received are authorized by law.

ROUTINE USE(S): Information from claims and related documents may be given to the Dept. of Veterans Affairs, the Dept. of Health and Human Services and/or the Dept. of Transportation consistent with their statutory administrative responsibilities under CHAMPUS/CHAMPVA; to the Dept. of Justice for representation of the Secretary of Defense in civil actions; to the Internal Revenue Service, private collection agencies, and consumer reporting agencies in connection with recoupment claims; and to Congressional Offices in response to inquiries made at the request of the person to whom a record pertains. Appropriate disclosures may be made to other federal, state, local, foreign government agencies, private business entities, and individual providers of care, on matters relating to entitlement, claims adjudication, fraud, program abuse, utilization review, quality assurance, peer review, program integrity, third-party liability, coordination of benefits, and civil and criminal litigation related to the operation of CHAMPUS.

DISCLOSURES: Voluntary; however, failure to provide information will result in delay in payment or may result in denial of claim. With the one exception discussed below, there are no penalties under these programs for refusing to supply information. However, failure to furnish information regarding the medical services rendered or the amount charged would prevent payment of claims under these programs. Failure to furnish any other information, such as name or claim number, would delay payment of the claim. Failure to provide medical information under FECA could be deemed an obstruction.

It is mandatory that you tell us if you know that another party is responsible for paying for your treatment. Section 1128B of the Social Security Act and 31 USC 3801-3812 provide penalties for withholding this information.

You should be aware that P.L. 100-503, the "Computer Matching and Privacy Protection Act of 1988", permits the government to verify information by way of computer matches.

MEDICAID PAYMENTS (PROVIDER CERTIFICATION)

I hereby agree to keep such records as are necessary to disclose fully the extent of services provided to individuals under the State's Title XIX plan and to furnish information regarding any payments claimed for providing such services as the State Agency or Dept. of Health and Humans Services may request.

I further agree to accept, as payment in full, the amount paid by the Medicaid program for those claims submitted for payment under that program, with the exception of authorized deductible, coinsurance, co-payment or similar cost-sharing charge.

SIGNATURE OF PHYSICIAN (OR SUPPLIER): I certify that the services listed above were medically indicated and necessary to the health of this patient and were personally furnished by me or my employee under my personal direction.

NOTICE: This is to certify that the foregoing information is true, accurate and complete. I understand that payment and satisfaction of this claim will be from Federal and State funds, and that any false claims, statements, or documents, or concealment of a material fact, may be prosecuted under applicable Federal or State laws.

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing date sources, gathering and maintaining data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to HCFA, Office of Financial Management, P.O.
